AZALEAS & CAMELLIAS

AZALEAS

Our efforts of the past season have been amply rewarded with the finest stock of Azaleas we have ever had. As we said in our letter of introduction, we have now some very fine plants in the introduction, but for the nursery, the year is over.

Dear Customer:

We are sorry we are sold out for this season. All our available stock was booked up before we could get out a price list to you.

We want to take this opportunity to thank you for your business in the past and to solicit your inquiries for next season.

Excuses for not having stock to offer you are easy to make and we could make as many as anyone else but we realize that you are not interested in alibis. Therefore we are going to do our very best to have the stock for you next season.

Yours very truly,
TOM DODD NURSERIES
